

June Project 2007

13-16 June 2007

King's Church *Durham*

What is it?

The June Project brings together King's Church mission and community work, the Internship and student ministry for four days of teaching, training and outreach.

From Wednesday 13 to Saturday 16 June 2007 we will be running a programme of prayer, worship, training, outreach, service, evangelism and events in the community.

Outreach

We will be running all kinds of outreach projects, from street evangelism to social action, including:

- **Street Evangelism**
With flyers as conversation starters.
- **Street Performance**
Music, circus skills, drama... what can you do?
- **Sports**
An after-school sports programme.
- **Social Action**
Projects linked in with our ongoing community work.
- **Prayer Teams**
Supporting all the outreach activities.
- **Community Events**
Community BBQ, Peskies Park Fun Day, other events.
- **Other Activities?**
Write your ideas on the application form below...

Training

The morning training sessions will equip and inspire us for the outreach programme. We will start each day with prayer and worship before looking at a range of subjects including: why we do mission, the relationship between social action and the gospel, and practical questions like 'How do I talk about God to someone I don't know?'

James Treasure, who planted and leads the Southcroft congregation with Ichthus in London, will be joining us for the Project and in particular he will be contributing to the teaching programme.

Get involved!

If you're available for the whole programme, sign up as a June Project delegate.

For £20, delegates will be able to participate in the full teaching and outreach programme. We will provide lunch and dinner for delegates, and a fantastic June Project t-shirt (yes, that's Kings stash!)

Delegates should complete the form below.

If you're available in the evenings or on Saturday, come and join us for the community events.

We would love to see as many people as possible involved in the community events (coloured blue below). More details will be published in the church news sheet. You can even buy a June Project t-shirt(!)
